

L'Heureux Cyclage le réseau des Ateliers Vélo a network of Re-Cycling Workshops in France

3R concept (Reuse, Repair and Recycle)

is written in the so called "Grenelle Law" (major French environmental law), which has been voted unanimously at the French Parliament in 2008.

Community Associations are more and more opening re-cycling workshops in France. They practice 3R Concept to sustain daily cycling !

A Network « L'Heureux Cyclage » was born to **promote this activity** and **helping various initiatives.**

It aims also **lobbying french administration and local authorities** to have the **use of premises, access to municipal dumps** and gain **financial supports.**

Re-Cycling Process:

Map of Re-Cycling Workshops in France

Around 20 Re-Cycling Workshops

More than 5 000 Members

More than 12 Employees

And many other projects...

"I've got a problem with my bike !"

"You see, it's easy to repair !"

"Great ! I can use my bike again"

Social and Solidarity Economy to develop cycling in France

"Save Bicycle Patrimony !"

Wastes are costly for Municipalities, while old bikes "made in Europe" have a good quality.

"Do It Yourself !"

Developing Cyclist "Velonomy": Autonomy in their bicycle use and maintenance.

"Service to Bicycle Owner!"

Bike Sharing System could not be the only part of cycling policy in French cities.

Re-Cycling workshops are a **less expensive** and **more sustainable** way to develop cycling...

« L'Heureux Cyclage » wish to help workshop implantations in France and abroad. **Contact with other Non Profit Organisations managing Re-Cycling Workshop are welcome...**
